# SMELL

Pause to inhale the aromas of the indigenous botanical scent blend that speaks to you. Your selection will be harmoniously intermingled in your during your regionally inspired massage and body treatments, creating spa experiences that are truly your own.

# TOUCH

Book an O<sub>2</sub> Soaking bath where the dancing bubbles will delight your senses and leave your skin feeling as soft and smooth as velvet

# TASTE

Tickle your taste buds with a matcha tea bar, each with a distinct set of benefits to enhance your intention of the moment

These powerful sensory encounters will deepen your awareness long after your spa story ends.

Our caring and intuitive spa team look forward to welcoming you and helping you craft your sensory story at Velvet Spa

The logo for Velvet Spa features the word "VELVET" in a serif font. The letter "V" is rendered in a gold color with a thick, elegant script flourish that loops around the top and left of the word. The remaining letters "E L V E T" are in a dark green color. The "L" and "V" are connected by a thin, light green line that forms a partial circle around the "L".
